

# Innovative ideas

The Collection, UB City, in association with Sublime Galleria is presenting 'Art Bengaluru 2014' till August 30. The fifth edition of this annual art soiree will bring the Renaissance Period alive under the theme of European Art History. This art show is a celebration of art, culture and luxury.

The festival will showcase 11 top galleries including one from New York and one from Vietnam apart from presenting one of China's most popular artists Liu Bolin, and his work, for the first time in India. Latitude 28's video art project will bring innovative video artists from diverse countries such as Argentina, Brazil, Russia, Hong Kong, Singapore, Turkey and India to Bangalore during this festival.
