Sublime Galleria at UB City was the hotspot on Thursday evening, as *By the Lombok Moonlight*- exhibition of art by Vijit Pillai, inspired by Pallavi Foley's jewellery- saw a huge turnout of floating guests. Known faces from the city made their presence felt at the do, coming in from 7 pm till late into the night, with many coming in after they broke their fast. The party was held for the launch of *Art Bengaluru 2012* and witnessed a fusion dance performance. Spotted at the shindig were Ashish Nair, Abhay Kewadkar, Sadia Sayeed, Rupesh Patric and Ricky Kej.
