

Children's art competition@ Sublime Galleria

If you think your kid has the talent to sketch or paint, then he/she has to take part in this art competition. The Collection, UB City in association with Sublime Galleria and Art Chutney is conducting Children's Art Competition as part of *Art Bengaluru 2012*. This event is going to provide a platform for young artists to share their vision of the world and have fun. This year's event will witness participation from over 400 children including students from NAFL, Inventure Academy, National Public School, First Steps and children from Christel House, among others. The theme is 'Carnival' and UB City will be decked up with 100s of balloons to celebrate the theme. Children have to paint pictures of clowns and to inspire them, there will be clown models walking around. The competition is open for children aged 4 years and above.
