ART AND JEWELLERY SHOW
THURSDAY, AUGUST 9
SUBLIME GALLERIA, UB CITY

It was an art show with a difference... Yes, we do say it a lot but this one truly was! Jewellery by the very talented Pallavi Foley and artist Vijit Pillai was what the show was all about and it was received in the warmest possible way... The guests ranged from the usual page 3 people to some of the more serious art and jewellery aficionados in the city... We spotted make up artiste Gouri Kapur out at a party after a long time, looking lovely as usual. Uzma Irfan was present too — after all, she takes the events at Sublime quite seriously!
