

Music: Trilok Gurtu

– Live!

A world-class virtuoso percussionist, Trilok has attracted a set of collaborators over a long career; starting with John McLaughlin, in whose trio, Trilok flourished as the featured soloist for 4 years. He's deeply rooted in the Indian tradition, so it comes as no surprise to see that his collaborations also took place with the glitterati of the Indian Musical Society which include his mother, Shobha Gurtu, Zakir Hussain, L. Shankar and Shankar Mahadevan amongst others. Watch him perform live.
